01 Executive Summary

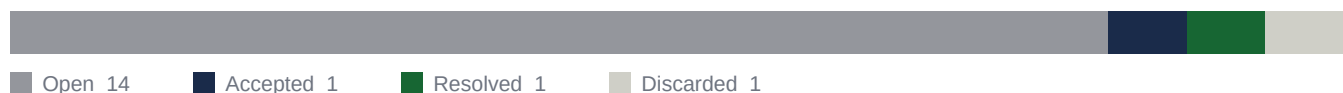

This report presents the SHINE review of AAA Coinvest Fund A LP for FY2025 (Draft 1.1). 2 findings were identified across 2 financial-statement areas, of which 0 are rated critical and 1 high. The most significant concentration sits in Schedule of Investments. Coverage of applicable ASC guidance stands at 96%, assessed against a planning materiality of \$18.8M (0.75% of net assets). 1 finding recurred from the prior review and 1 regressed after a prior resolution — control points that warrant management attention. On the combined severity-and-coverage gate, the statements are assessed NOT READY for audit-file distribution; the determining factor is 4 critical unresolved · 7 high unresolved.

FINDINGS BY SEVERITY

DISPOSITION OF POPULATION

02 Schedule of Investments

1 finding · 1 high

>5% of net assets *MUST* be disclosed by name per ASC 946-210-50-6.

■ F-005 HIGH · CERTAIN · ACCEPTED

standards · L9

Concentration · p. 12 · Other private equity investments (aggregated)

The Schedule of Investments aggregates \$158M (6.3% of NAV) under 'Other private equity investments' without name-level disclosure. ASC 946-210-50-6 requires name-level disclosure of any investment >5% of net assets.

ASC 946-210-50-6

RECOMMENDED FIX

Break out the constituent investments within the aggregated line by name; verify any single name >5% of NAV is separately disclosed.

03 Notes to Financial Statements

1 finding · 1 medium

Disclosure infrastructure. Significant accounting policies through subsequent events.

■ **F-015** MEDIUM · CERTAIN · RESOLVED

narrative · L6

Cross-references · Note 11 · p. 28

Note 11 (Commitments and Contingencies) references 'as described in Note 12(b)'. Note 12 is the Financial Highlights note and does not have a sub-section (b). The reference is broken.

RECOMMENDED FIX

Locate the intended reference (likely Note 7 — Management Fees and Carried Interest sub-section b, or Note 8 — Related Party Transactions). Correct the reference.
